## DISCOVER MARWADI UNIVERSITY

Marwadi University is a **prominent University in Western India** with a global vision. It engages with people and institutions across **the globe in the quest to promote cultural understanding** and encourage the next generation of world leaders.

## DISCOVER INDIA

**Fastest Growing Economy** - ranked by the World Bank & IMF

**2<sup>nd</sup> Fastest Growing Service Sector** in the world by CII & KPMG

**7<sup>th</sup>**

**The Largest Democracy** in the world and **the 7<sup>th</sup> Largest Country**

The number of colleges and universities in India is **39,050 & 903 respectively**, with **36.64 million students** enrolled in higher education

Globally, India produces **the 2<sup>nd</sup> largest pool of Engineers and Scientists**

India is **the 2<sup>nd</sup> largest English-Speaking Country** in the world

## DISCOVER GUJARAT

Gujarat is recognised as an **educational hub** led by premier institutions such as **IIM-A, IRMA and NID** in Ahmedabad & **Marwadi University** in Rajkot.

One of the most prosperous states in the country having a **Per-Capita GDP 3.2 times India's average**

Around **60 Universities & over 800 colleges** are based in Gujarat with around **1.4 million students**

Government-promoted programmes like **'Student Start-up & Innovation Policy (SSIP)'** to encourage research and innovation

**One of the safest states in India**

**STATUE OF UNITY**  
World's Tallest Statue in Gujarat with  
the **Height of 182 metres**

## DISCOVER RAJKOT

Rajkot is envisioned as a Smart City with an intense focus on developing next-gen leaders and **entrepreneurs through education**

Rajkot is the **35<sup>th</sup> Largest Metropolitan Area in India**, with a population of more than 2 million as of 2022. It is the Second Cleanest City in India and is the **7<sup>th</sup> Fastest-growing City in the world**

The city **boasts of historical landmarks, parks featuring historical events, & monuments from Colonial Times** in a highly preserved manner

**The Leading Centre of India** in the field of **Diesel-Engines, Submersible Pumps, and Forging Industries, Ceramic as well as Textile Industries**

## FROM THE DESK OF THE CHAIRMAN

At Marwadi University, we are committed to offering our students a unique platform that makes them industry-qualified and enhances their knowledge that can be practically implemented in the real world. Gaining knowledge with the help of analytical tools that unlocks the limitless potential of an individual is no more a distant dream. With the help of 3-layer learning at Marwadi University, we aim to promote technological expertise with a mix of vigorous research and revised skill sets. The first layer consists of knowledge that focuses on attributes like critical thinking, identifying opportunities, and decision-making. While the second layer aims at improving the individual skills that push the students closer to their goals. With the acquired technical and soft skills, the third layer which is the development stage prepares the students to implement the gained knowledge in real-life situations. The convergence of the competence will accelerate the students' proficiency in contributing in the highest manner to our society. With Rajkot being the entrepreneurial hub of the Saurashtra region of Gujarat that provides plenty of employment opportunities, a lack of knowledge and its implementation was seen. Marwadi University had been established with the sole purpose of bridging the gap between the immense economical growth and the lack of technological advancements. With the research-oriented tech-focused curriculum, Marwadi University aims to direct its students in the direction that leads them to become successful entrepreneurs. This pushes them to utilize the available opportunities in a manner that also contributes to the betterment of our society.

Ketan Marwadi  
Founder & President | Marwadi University

## FROM THE DESK OF CO-FOUNDER & VICE CHAIRMAN

While Marwadi University exclusively focuses on building expertise through a hands-on learning manner, the holistic development of the students is not left in the lurch. The competency of our faculty members is time and again revived with the help of efficient Faculty Development Programmes, and the recurring strive to constructively hone our students through workshops and training that takes them closer to self-learning. The ethical values that we acuminate, nurture and mentor our students and lean them to the area of revolution along with self-discovery. The amalgamation of analytical knowledge along with acquired skill-learning would generate a plethora of opportunities for the students. By providing them with the necessary tools, resources, and strategic guidance; Marwadi University aims at promoting self-learning and self-discovery. To this end, we are committed to empowering our students with the accumulated knowledge and driving them towards a healthier, progressive, and prosperous future.

Jitubhai Chandarana  
Co-Founder & Vice-Chairman | Marwadi University

## FROM THE DESK OF THE PROVOST

Marwadi University keeps the discovery of a student's true potential at its crux and facilitates the learners on the path of recognition. We, at Marwadi University, aim to deal with the dynamics of the educational domain and push ourselves towards greater discovery. The indoctrination at Marwadi University is dominated by the approach that defines student-centricity and drives self-learning. We aim to walk on the path of innovation and adapt to academic practices that are nationally as well as internationally recognized.

The education system at Marwadi University works conjointly with the essence of the National Education Policy (NEP-2020) and nurtures the trail of multi-disciplinary programmes.

The integration of vocational training in the curriculum ensures that the learner's capacity is enabled to the fullest. The cutting edge learning experience at Marwadi University goes hand in hand with the aim of stimulating the interest of the learners through multitude of approaches. This will encourage the students to revamp their individual efforts towards their goals. NEP 2020 has shattered the traditional methods of learning and has encouraged educational institutes to adapt to the newer blended methods that ensure practicing creative and critical thinking. The roadway to internationalisation is a major capstone for the educational revolution that promotes liberal systems of education and Marwadi University is confederating with Universities from across the borders to incorporate a dynamic education system. With the onset of a major educational revolution, we, at Marwadi University are committed to prodigiously reconstructing the society. Supercomputer, entrepreneurship support systems, partnerships with various knowledge providers like Coursera, IBM, CISCO etc., are the several compounds of knowledge that contribute to catalyzing innovation. Our ethics, values and vision are directed towards empowering the new generation of learners along with the values of leadership. I am delighted to welcome students approaching from all parts of the country and abroad to join Marwadi University. Whether you are a potential student, a parent or an inquisitive individual, we heartily welcome you to visit our vibrant campus and experience the amazing teaching-learning environment that we offer. On behalf of the Marwadi University Family, I assure you that together we will ceaselessly continue to walk on the path of excellence.

METHODOLOGIES

## MARWADI UNIVERSITY GRANTED THE CENTRE OF EXCELLENCE

STATUS BY THE GOVT. OF GUJARAT

## PLATFORMS FOR EXCELLENCE

### NATIONAL MOOT COURT COMPETITION

The competition strives to give a platform to the budding lawyers of our country to imbibe analytical skills in real-time situations. The aim is to engage with students and allow them to have first-hand experience with the complexities of the Law.

### INTERNATIONAL CONFERENCES

A platform is provided to academic researchers and industry experts to discuss, deliberate, and network with people of like interests through international conferences like ASCIS.

### HACKATHON SMART CITY RAJKOT

Marwadi University organises Hackathons every year where different institutions and individuals participate in finding solutions across given problems.

## MARWADI UNIVERSITY'S ALIGNMENT WITH **THE NATIONAL EDUCATION POLICY** OF INDIA 2020

In order to provide universal access to quality education and to globalise education, the Union Cabinet of India approved **the National Education Policy 2020 (NEP 2020)** which has been adopted by various higher education institutions.

### **ACTION POINTS SUGGESTED IN THE NEP 2020**

- Shifting to a multidisciplinary approach and institutional autonomy
- Flexible curriculum with multiple combinations of disciplines like Languages, Literature, Music, Philosophy, Art, Dance, etc.
- Rigorous implementation of credit-based courses
- Multiple-entry and exit options
- Promoting internationalisation ...and much more

### **MU SYNCING ITSELF WITH NEP 2020**

- Focus on internationalisation with the help of various MoUs with more than 32 Universities
- Providing Credit Exchange, Dual or Joint Degree programmes, and Global Immersion Programmes and international exposure opportunities to the students
- Skill-based learning
- Establishment of Academic Bank of Credits (ABC)
- Conducting Massive Online Open Courses (MOOCs)
- Relative grading systems for evaluations
- Initiated NEP-suggested curriculum

## FACULTY OF COMPUTER APPLICATIONS

### UNDER GRADUATION PROGRAMMES

We provide a strong foundation to students who want to shape up their career in Computer Applications. The BCA programme is widely recognised in Software Industries. The under-graduate programmes provide a special emphasis on project-based learning in modern IT Technologies and Business Communication to create versatile IT leaders.

- **BCA** 3 YEARS
- **BCA (Hons) Cloud Computing** 4 YEARS
- **BCA (Hons) Cyber Security** 4 YEARS
- **B Sc (IT)** 3 YEARS
- **B Sc (Data Science)** 3 YEARS

## POST GRADUATION PROGRAMMES

The PG degree programmes prepare the students to take up an IT career with ample opportunities to acquire special skills required for the new-age requirement of the IT and IT-enabled services.

- **MCA** 2 YEARS
- **MSc (Data Science)** 2 YEARS
- **MSc (Cyber Security & Cyber Law)** 2 YEARS

PhD

## FACULTY OF ARTS

The BA/BA (Hons) Curriculum is designed to introduce students to the study of individuals, societies, and environments in the political, sociological, and psychological context. The course ensues a greater awareness of the human experience and the world at large.

This undergraduate programme has been designed in accordance with the New Education Policy (2020). Students can opt for the 3 year BA Programme or the 4 year BA Honours programme, both of which offer a holistic curriculum that allows practical and theoretical exposure in Humanities and Social Sciences.

Our curriculum also offers 'open electives' wherein students can enrol for any subject of their choice /interest of a different course irrespective of their academic background. We also offer various other vocational and personality development courses such as creative Writing, Digital Marketing; Language Electives and Industry Exposure/Internships to ensure holistic development of our learners.

### BACHELOR OF ARTS (Hons)

English 3/4 YEARS

Psychology 3 YEARS

Sociology 3 YEARS

Political Science 3 YEARS

MASTER OF ARTS IN ENGLISH 2 YEARS

PhD

### WHY THE FACULTY OF ARTS ?

- Awareness on Diplomacy & International Affairs is the need of the hour
- In preparing for the Public Civil Services Examination, Political Science, Psychology & Sociology are basic Subjects
- Study every aspect of human society in which you live: the family, gender, race and ethnic relations, ageing, education, work, population
- Develop a cross-cultural understanding of the world, with a wider perspective
- Study how each individual thinks, feels, and acts in our everyday life (Study of Psychology)
- Prepare to be a mental health practitioner and meet the psychological needs of individuals and society

## DEPARTMENT OF RESEARCH & DEVELOPMENT

Research has always been an integral part of Marwadi University. Applicants keen on taking up research in major multidisciplinary domains like Computer Science, Engineering, Humanities, Law, Management, Pharmacy, Physiotherapy, Science and other pioneering domains are provided support and scholarships.

# SCHOLARSHIPS & FINANCIAL AID

Various Central and State Scholarship & Freeships are available to students that are merit-based, need-based, student-specific, career-specific, and college-specific.

- Bank Loan
- Vidya Lakshmi Yojna
- Mukhyamantri Yuva Swavalamban Yojana
- Scholarship for the underprivileged
- Graduate Aptitude Test in Engineering (GATE SCHOLARSHIP)
- Central Sector Scheme of Interest Subsidy for education loans by scheduled banks
- Chief Minister Scholarship Scheme

For more details visit <http://www.scholarships.gov.in>

## INTERNATIONAL SCHOLARSHIP PROGRAMMES

Currently we have **1700+** International Students from **53** countries. All of them are admitted under 'Study In India' programme. Marwadi University / Marwadi Education Foundation Group of Institutions offers categories of scholarship to International Students.

**Tuition  
Fee Waiver**

**President  
Scholarship**

**Fully Funded Scholarship  
Scheme Through SII**

**Scholarship on Tuition Fee:** Students are given waiver on Tuition Fee. They only need to pay for accommodation and food. Apart from Tuition Fees Waiver, President has also given his consent to give additional President Scholarship apart from the Tuition Fee Waiver.

Marwadi University is also an academic partner of the 'Study in Gujarat - SIG' - a campaign aimed towards promoting Gujarat as an education hub on both National and International level.

## SPORTS QUOTA

Upto **100% Fee waiver** for **State/National/International level** players.

## SCHOLARSHIPS FOR WARDS OF MILITARY PERSONNEL

In order to encourage students to take up **higher education** in **Diploma, Under Graduate, and Post Graduate degrees**, Scholarship for Military Ward has been introduced to all the wards of **Defence Personnel (Retired/In-Service)** in the Army, Navy and Air Force services.

# DISCOVER A WORLD-CLASS CAMPUS

## ENVIRONMENT THAT ENCOURAGES EDUCATION

The environment of the campus directly impacts the performance of the students. A great deal of thought has gone into transforming walls and concrete slabs into the ecologically friendly buildings of MARWADI UNIVERSITY.

The buildings of Marwadi University are perfectly designed collaborative academic spaces. The ambiance, lighting, and facilities such as Libraries, Playgrounds, Multipurpose Rooms, Work Areas, and Administration foster a dynamic environment.

- **Centre Of Excellence Status Granted By The Govt Of Gujarat**
- **12000 Students** On Campus  
**1700+ Students From 53 Countries**
- **A Diverse Set Of Experienced Faculty Members From 24 States**
- **1.6 Million Sq. Ft.** Built-up Area
- **750 Staff-members** | 500 Faculty Members  
**120 PhD Faculty**
- **High-performance Computing Facility** (Super-Computer) Awarded By GUJCOST, Govt. Of Gujarat
- **38 Modern Research Labs** That Include **8 Industry Labs** Like Wipro, Bosch, Google, CAD/CAM, Smart Foundry, & MUJCAL
- Exclusive Centre For **Career Development For Training Based For Students, Faculty, & External Stakeholder Needs**
- **School Of Research Consultancy Services To More Than 150 Clients** Across Various Industries
- **Student & Faculty Exchange Programmes With Foreign Universities** in USA, Germany, Poland, Italy & Others

## DISCOVER THE INDUSTRY & ENTREPRENEURSHIP SUPPORT

To produce a highly employable workforce, Marwadi Education Foundation fosters collaboration between academics and industry by incorporating courses offered by leading industries as a part of the curriculum.

- INDUSTRIAL TIE-UPS
- START-UP LABS

MARWADI UNIVERSITY PROMOTES RESEARCH - BASED EDUCATION & TO FACILITATE THIS, MU HAS INSTALLED  
**A SUPERCOMPUTER - PARAM SHAVAK** AWARDED BY GOVT. OF GUJARAT WHICH FACILITATES HIGH-END COMPUTATIONS & RESEARCH WORK IN THE FIELD OF AI.

## MUJCAL

MARWADI UNIVERSITY  
JYOTI CNC AUTOMATION LIMITED

Marwadi University Jyoti CNC Automation Limited (**MUJCAL**) established in 2018 with funding of more than **1.3** crores, is a union that impacts vital technical skills essential in the 'Foundries of Rajkot Cluster' to the Engineering students, through hands-on knowledge given by experienced Foundry personnel. More than **400** students have already been imparted with technical skills required in the domain of Foundry Engineering. The MUJCAL also provides industrial services related to Product Development, Casting Simulation, Testing, etc. This amalgamation is a result of strong support and guidance from the Centre for Entrepreneurship Development Cell (CED)-Gandhinagar.

Dedicated research facilities related to SMART Foundry have been established with the support of the Department of Science and Technology (DST) - Government of India. SMART Foundry mainly focuses on extending applications of advanced technologies such as Internet of Things (IoT), SMART Manufacturing, Digital Twin, etc for Foundry Engineering.

## MUIIR

MARWADI UNIVERSITY INNOVATION  
AND INCUBATION RESEARCH

Marwadi University Centre of Innovation, Incubation and Research (MUIIR) has been incepted in 2017, and focuses on reinventing the conducive ecosystem for NextGen entrepreneurs through Research, Innovation, Entrepreneurship, and Training.

MUIIR has more than **5000 sqft** of space and **30** major equipment for Prototyping facilities. The Centre in collaboration with various government initiatives have funded more than **350 Lacs** to more than **130** innovative ideas. More than **140** IPRs have also been filed, and many of them have been granted. MUIIR also closely works in the direction of the Transfer of Technology (ToT), and a few of the developed technologies have already been transferred to the interested stakeholders. MUIIR has also a network of more than **200** industrial mentors in different domains including Aerospace, Agricultural, Augmented Reality / Virtual Reality, Defence, Digital Twin, Electric Vehicles, Food, Healthcare, IoT, and Smart Manufacturing, etc.

# THE CENTRE FOR ENTREPRENEURSHIP AND FAMILY BUSINESS

The Centre for Entrepreneurship and Family Business at Marwadi University has been initiated to help students having family business backgrounds. These students usually are not keen on pursuing placement opportunities and working as employees. The core idea of the Centre is to help students with a family business orientation to be " family business ready"., solve their family business challenges while they are studying, enabling them to develop a career aspiration to build and grow their family businesses.

## Why CEFB is important to know/have in the academic plan?

All students who are aspiring for entrepreneurship / becoming start-up entrepreneurs within their family businesses or thinking of joining their family businesses, need to join the Centre and its activities. The Centre follows a unique methodology of a mix of coaching, and consulting to engage with students. There is no teaching or no theory - all practical advice and all real-time consulting relating to family business growth.

Live mentoring from expert mentors gives to students an opportunity to prepare for larger roles that they may wish to undertake in their family business, along with nurturing their start up ideas.

## What is CEFB?

**The Centre for Entrepreneurship and Family Business (CEFB)** is a unique Centre at Marwardi University. The Centre helps in the business growth of students from Family Business backgrounds. The Centre, with **its team of around 30 plus experts and mentors** from different fields, helps to solve real-life and contemporary concerns of family businesses. Students can come to the Centre and seek solutions and seek advisory consulting services on important issues of their family business like...

- How to ensure **sustained business growth** in family business ?
- How to **sell more effectively** ?
- How to **position and pitch self as a contributory member** in the family business ?
- How to **expand market scope domestically and internationally** (exports) ?
- How to **improve the quality of product and achieve manufacturing excellence** ?
- How to professionalise family business and implement systems and **processes for business growth** ?
- How to build a family business **legacy which lasts for generations** ?

## Until Now, The Centre has done following activities :

- Formation of Live Mentor Board with 30 plus National-level industry mentors already associated with the Centre.
  - Around 19 guest sessions and workshops conducted on a variety of topics like Excellence in Exports , Manufacturing Excellence, Developing Entrepreneurial Mindset, etc - every month around 2-3 guest sessions are organised.
  - Around 1200 plus students are already taking active help from the Centre for their family business growth.
  - Students have won in Bplan contests and also have taken part in events conducted by international universities.
  - Conducted sessions on - Delivering Elevator Pitches, Preparing Business Plans, Creating Innovative Bplans etc.
- Tie ups with following :
- **Rajkot Engg Association**
  - **Ahmedabad Management Association**
  - **Rajkot Management Association**
  - **Entrepreneurship Development Institute of India**
  - **Shapar Veraval Industries Association**

**Govindbhai Dholakiya**  
CMD, SRK EXIM, SURAT

DISCOVER THE LEARNING

## “LEARN FROM THE BEST AT MARWADI UNIVERSITY!”

Marwadi University is a home to **500 faculty members** that includes **120 PhD faculty members**. The academic pool comprises of international **educators hailing from premium institutions** like the **Indian Institute of Technology, National Institute of Technology, Silicon Valley**, and other **renowned universities of India**.

### 30%

Faculty have experience of more than **10 years** in the **field of education**

### 15%

Faculty have **Degrees** from **International Universities**

### 16%

Having **industry experience** of over **10 countries**

Marwadi University is very aggressive in the research area with faculty members regularly participating in National and International seminars and getting their papers published in the leading academic journals.

# FACULTY DEVELOPMENT PROGRAMMES

With a focus on continuously improving students’ learning experiences, systematic multi-layered **‘Faculty Development Programmes’** have been developed under the independent direction of the Career Development Centre. These programmes allow faculty members to discover new teaching methodologies, instructional techniques and enhance their teaching effectiveness.

FDPs also play a crucial role in supporting **faculty research** and **scholarly activities** besides guidance on research methodologies, publication strategies and collaboration opportunities.

We, being a recognised and an active member of the **Indo-Universal Collaboration for Engineering Education (IUCEE)**, are able to provide our faculty members with an opportunity to undergo the very premium Faculty Empowerment program ‘IIEECP: A **signature programme** of IUCEE which is delivered by **highly qualified and dedicated international faculty, in five modules of three weeks each.**

- 1

THE TEACHING-LEARNING  
PROCESS
- 2

COURSE DESIGN &  
DELIVERY
- 3

CREATING A DYNAMIC  
CLASSROOM
- 4

HARNESSING THE POWER  
OF TECHNOLOGY
- 5

EFFECTIVE  
ASSESSMENT

We also design and deliver our **in-house Faculty Development Programmes (FDP)** which gives faculty members the chance to network with peers, exchange best practices, and take part in professional development activities. The main objectives of our in-house FDPs are **improved teaching-learning, better faculty engagement, and increased student success.**

Every faculty member is required to complete FDP levels - One, Two, and Three during their tenure at the University. The Level One FDP **primarily focuses** on the **art of communication between teacher and students** within the classroom, whereas the Level Two and Three FDP gives faculty members the chance to improve their teaching skills with peer reviews, explore new teaching strategies, and integrate the most recent instructional methodologies into their courses.

The impact of our FDPs on **the students’ success is the most essential benefit.** The best practices learnt during the workshop have proven to help the faculty members in creating more supportive and inclusive learning environment for students’ success.

DISCOVER  
**THE THREE LAYERS OF LEARNING** AT MU

THE THREE LAYERS OF DISCOVER YOU AT MARWADI UNIVERSITY

**3 LAYER STRUCTURE**

We give hands-on learning experience to students and teachers through our uniquely designed 3-Layer STRUCTURE where we have divided learning in 3 parts with an aim to cultivate holistic development.

**1 KNOWLEDGE**

This is the first stage where a student is taught to be a lifetime learner. The programme encourages critical thinking, collaboration, self-awareness, bouncing back from failure, identifying opportunities, and decision-making; all life skills are taught through stories, activities, and discussions.

**SKILLS**

In this phase, special Skill-Development Programmes aid learners to develop existing skills and also aid in identifying and bridging skill gaps to enable them to achieve their goals.

**3 DEVELOPMENT**

This stage is created to make students proficient in life skills through hands-on experiences that give them an insight into the real world. This type of exposure breeds confidence and nurtures poise to deal with real-life situations. The Three Layers of Learning ensures that all learners acquire key technical skills and soft skills and possess all the necessary attributes that ensure a successful life.

**CAREER DEVELOPMENT CENTRE**

A special centre for 'Career Development' for faculty and students which prepares students to cope with 21st-century challenges through various programmes:

- Special Interest Groups
- Special Training Programmes for Skill Enhancement
- Research & Professional Growth Programmes
- Work Life Balance Programmes
- Soft-skills & Communication Skills Enhancement Workshops

**DISCOVER NEW DIMENSIONS**

The University Campus has numerous student-led academic, technical, non-technical, and recreational clubs that help in an all round development of students. Their skills and passions are fed through varied club activities. The Campus is lively with activities from following Clubs

Student Speaker Club  
Marketing Club  
English Speaking Club  
MUN and Debate Committee  
Data Science Club

Art Club  
Robotics Club  
Gender Champions Club  
Student Leader's Club  
Genomics Club

Cultural Club  
Sports Club  
CNC and VMC Club  
Legal Aid Society  
and many more...

## DISCOVER YOUR TRUE PROFESSIONAL CALLING

### THE MU PLACEMENT & CORPORATE RELATIONS

## DISCOVER SOCIAL SERVICE

We are interested in building socially sensitive managers and leaders from our University. For this, our institute is involved in a lot of CSR activities.

We have adopted government schools in the vicinity of our University. We help them in different ways in terms of **providing infrastructure, conducting classes, and contributing** in the form of Books, Stationery, etc. In addition, the Institute also **encourages students to take up a lot of CSR activities across our programmes** with the **Environment club, NSS activities, and other curriculum.**

**CENTRE FOR CIVIC ENGAGEMENT AND ACTION**  
HAS ALSO BEEN ESTABLISHED

MARWADI UNIVERSITY  
**ANTI- RAGGING POLICY**

Marwadi University is strictly a ragging free campus. However, we are **100% compliant to the anti-ragging regulations**, and we have an **Anti-Ragging Committee** and an **Anti-Ragging Squad** to keep vigil and ensure that our campus is ragging-free.

The MU Anti-Ragging Committee ensures compliance through regular actions like **checking Hostels, Buses, Canteens, Classrooms, and other places of student congregation**, for any incident of ragging.

## MARWADI UNIVERSITY THE WOMEN'S CELL

The Women's Cell of MU was constituted to initiate women empowerment activities along with ensuring the safety of Women at Workplace (**Prevention, Prohibition, and Redressal Act, 2013**).

The Cell draws members from students, staff and faculty to create a safe and conducive environment that rebels against the idea of a gender-biased environment. The Cell also advises on available courses of action to women on campus who may be in distress. With the help of empowerment workshops and awareness programmes, the Women's Cell of MU works on its mission of empowering women.
